

Finance Manager – Private Equity (Luxembourg)

Bamboo Capital Partners is an Impact Investing private equity firm making investments that matter. It finds game-changing businesses then applies a mix of geographical and sector expertise to deliver financial and social returns. Experts in energy, healthcare and financial services globally, Bamboo has offices in Luxembourg, Geneva, Bogotá, Nairobi and Singapore.

Since Bamboo launched in 2007 it has proved that private capital can be profitably deployed as a tool for effective change. It has about \$290m under management with a portfolio of 32 companies in over 20 countries in Asia, Latin America, Africa and the Middle East. Our investments have positively impacted 58 million lives and created more than 27,000 jobs.

We are looking for a Private Equity Finance Manager to join our team of highly qualified professionals in early 2018. The position is based in the Headquarters in Luxembourg, with occasional travel to visit group subsidiaries. Finance Manager will report to Group CFO.

As part of his/her responsibilities, the Finance Manager will focus on 3 areas:

1) Valuation of the portfolio companies

- Review assumptions and valuation models prepared by the investment team
- Set-up and organize valuation committee meetings
- Track financial performance in both local and reporting currencies

2) Finance reporting

- Prepare quarterly reports to investors
- Facilitate audit process through coordination with independent auditor and investment team
- Review valuation memos
- Conduct financial analysis on ad-hoc basis

3) Corporate matters

- Coordinate various stakeholders in execution of transactions
- Review investment memos
- Support the preparation of board meetings
- Take part in investors related transactions

Ideal candidates should have the following profile:

- Minimum 7 years' experience in the alternative investment sector
- Very strong analytical and financial modelling skills
- Understanding of financial & regulatory requirements pertaining to private equity / venture capital
- Entrepreneurial mindset and team player attitude
- Detail orientation and capacity to multi-task and work against deadlines
- Good communication skills
- Fluency in English; French and other languages a plus
- Interest in Impact Investing, motivated by our vision

We offer an attractive compensation package and a dynamic working environment in a high-caliber team of motivated professionals. Please address your CV and cover letter to HR.Lux@bamboocp.com. Only candidates whose resume matches the above profile will be contacted.
