Bamboo Capital Partners is an impact investment firm making investments that matter. Experts in energy access, financial services and agribusinesses, Bamboo has offices in Luxembourg, Geneva, Bogota, Nairobi and Singapore. Since Bamboo launched in 2007 it has proved that private capital can be profitably deployed as a tool for effective change. To date Bamboo has raised close to US$400 million from private and public investors and invested in a portfolio of companies in over 30 countries.

Bamboo is currently looking for an Investment Manager for Bamboo’s Energy Access Fund “BEAM” joining our small team of highly qualified and dedicated professionals as soon as possible. The Investment Manager will be based either in our Nairobi office or at one of Bamboo’s European office in Geneva or Luxembourg with frequent travels to Sub-Saharan Africa and South and South East Asia.

The Investment Manager will closely work with Bamboo’s Head of Energy Access and be embedded in Bamboo’s global energy access team.

As part of his/her responsibilities, the Investment Manager will:
- source, screen and appraise investment opportunities;
- perform in-depth analysis of identified companies and projects (financial, business, strategic, and related socio-economic impacts);
- work as part of a small team to develop and prepare investment decisions based on detailed qualitative and quantitative analysis and prepare written investment recommendations for BEAM’s Risk and Investment Committees;
- help drafting transaction documents;
- lead negotiations up to closing;
- serve on the board of portfolio companies and monitor investments during their entire holding period;
- follow-up and monitor investments until repayments/exits;
- represent Bamboo at international conferences and in front of local and international authorities and institutions;
- build and maintain strong and productive relationships with clients, co-investors and partners;

Candidates should have the following profile:
- International Investment Manager experienced with entire investment process from origination to exit in equity and debt Investments;
- MBA or equivalent with at least 7 years of work experience;
- Dynamic personality, self-starter, entrepreneurial, flexible, able to work with a high level of autonomy and in a challenging environment;
- Team player with emerging markets experience;
- Strong analytic skills, financial modeling, and structuring skills;
- Strong communication and negotiation skills;
- Long term and genuine interest in Impact Investments and motivated by Bamboo’s vision;
- Experience in renewable energy projects and the energy access sector, ideally with regards to distributors of Solar Home Systems in Sub-Saharan Africa using Pay-as-you-go technology;
- Fluent in English is an absolute requirement; candidates ideally also have a good level of French (written and spoken).

We offer an attractive compensation package as well as a dynamic working environment in a high-caliber team of motivated professionals.

Only candidates whose resume matches the above profile will be contacted. Please address your CV and cover letter to hr@bamboocp.com.
