Senior Investment Manager– Tech4Impact Fund for Africa

Bamboo Capital Partners is an impact investment firm making investments that matter. Experts in energy access, financial services and agribusinesses, Bamboo has offices in Luxembourg, Geneva, Bogota, Nairobi and Singapore. Since Bamboo launched in 2007 it has proved that private capital can be profitably deployed as a tool for effective change. To date Bamboo has raised close to US$400 million from private and public investors and invested in a portfolio of companies in over 30 countries.

Bamboo is currently looking for a Senior Investment Manager for Bamboo’s Tech4Impact Fund “BLOC” joining our small team of highly qualified and dedicated professionals as soon as possible. The Senior Investment Manager will be an African national and will be based either in Nairobi office or in Abidjan.

The Senior Investment Manager will closely work with Bamboo’s BLOC Fund Manager and be embedded in Bamboo’s global BLOC team.

As part of his/her responsibilities, the Senior Investment Manager will:
- Source, screen and appraise investment opportunities;
- Perform in-depth analysis of identified companies and projects (financial, business, strategic, and related socio-economic impacts)
- Work as part of a small team to develop and prepare investment decisions based on detailed qualitative and quantitative analysis and prepare written investment recommendations for BLOC’s Risk and Investment Committees;
- Help drafting transaction documents;
- Lead negotiations up to closing;
- Serve on the board of portfolio companies and monitor investments during their entire holding period;
- Follow-up and monitor investments until repayments/exits;
- Represent Bamboo at international conferences and in front of local and international authorities and institutions;
- Build and maintain strong and productive relationships with clients, co-investors and partners;

Candidates should have the following profile:
- International Investment Manager experienced with a good overview of investment process from origination to exit in equity Investments;
- MBA or equivalent with at least 7 years of work experience;
- Dynamic personality, self-starter, entrepreneurial, flexible, able to work with a high level of autonomy and in a challenging environment;
- Team player with emerging markets experience;
- Strong analytic skills, financial modeling, and structuring skills;
- Advanced skills in Outlook, MS Word, Excel and PowerPoint are essential, knowledge of CRM and pipeline IT tools is a plus;
- Strong communication, Interpersonal and negotiation skills;
- Long term and genuine interest in Impact Investments and motivated by Bamboo’s vision;
- Expertise in Tech investments, especially in one of those areas: healthcare, financial inclusion, agriculture and/or education
- Fluent in English is an absolute requirement; candidates ideally also have a good level of French (written and spoken).

We offer an attractive compensation package as well as a dynamic working environment in a high-caliber team of motivated professionals.

Only candidates whose resume matches the above profile will be contacted. Please address your CV and cover letter to hr@bamboocp.com.
